DUW Series

Recessed Linear Wall Drain

The DUW Series Recessed Linear Wall Drain is a one-of-a-kind recessed linear drain with its innovative patent-pending design that makes the DUW Series Drains easy to install, clean, and maintain. These are the most hygienic linear drains on the market.

DUW:
"Flangeless"

(Universal for most application, especially where drain ends are located near a curb or curbless shower entry)

DUWR:
"Side-Wall Return Flanged"

(ideal for wall to wall installation)

Available in standard and custom configurations, DUW Series drains can be applied in any single plane slope shower installation.
